

PUT FEDERAL TAX DEDUCTIONS AND CREDITS TO WORK FOR YOU.

AT CHEVROLET, WE'RE COMMITTED TO HELPING YOU GET THE JOB DONE.

That's why your business may be eligible to immediately deduct up to **100%** of the purchase price¹ of qualifying new Chevrolet vehicles purchased in 2025 for business use.

With these tax laws in place, it's a great time to add the dependability of Chevrolet cars, SUVs, trucks and vans to your small or large business. To learn more about current offers, contact your dealer or visit chevrolet.com/commercial/tax-deductions.

YOU MAY BE ABLE TO DEDUCT:

Each purchaser's tax situation is unique and the available tax benefits and the applicable federal tax laws, regulations and guidelines are subject to change without notice. Therefore, customers must consult their tax advisor to determine the proper tax treatment of any vehicle purchase(s). For more information, visit irs.gov. This advertisement is for informational purposes only and should not be construed as tax advice or as a promise of availability or amount of any potential tax benefit or reduced tax liability.

¹ Taxpayers may be entitled to U.S. federal income tax deductions and/or credits for purchases of vehicles that are placed in service in a trade or business during 2025. Determining the proper income tax treatment of any vehicle purchase requires careful consideration of several factors including, but not limited to, the applicable tax laws, regulations and guidelines, the characteristics and attributes of the particular vehicle purchased and the purchaser's income tax situation. Each purchaser's tax situation is unique and the available tax benefits and the applicable federal tax laws, regulations and guidelines are subject to change without notice.
